# 2025 Annual Report

Connecting people
to the hope and freedom
found in Jesus

# Dear Friends & Partners,

**With thankful hearts, we look back on 2025—Proem's 35th year of serving God and others in Poland alongside partnering churches, individuals, and friends.** With joy we reflect on lives changed and communities impacted by the Gospel over many years.

As we reflect on this past year, the theme **Empowered** served as more than just a title. Inspired by Peter's description of God's presence and power at work in each believer through Christ, we are reminded that it is God who strengthens and sustains our ministry. We want to take this opportunity to thank God for His continued leading and blessings, and to thank you for your partnership in sharing the Gospel through Proem in Poland.

We look expectantly toward the opportunities for the year ahead, we hope and pray that you will continue to stand with us—through prayer and partnership—as we **connect people to the hope and freedom found in Jesus**.

We thank God for you and invite you to join us in serving and impacting communities in Poland and beyond with the Gospel of Christ.

With gratitude,

**The Proem Leadership Team**

## MARTA KOWALCZYK — *a testamonial*

Since the beginning of Proem's Life Academy program, I have been working with children as a community center educator, a leader of summer camps, and a Sunday school teacher. I see immense value in this work. I love children and desire to be a companion to them—someone they can hold onto with one hand while reaching for God with the other. I am fascinated by the way they think, their sincerity, and the sensitivity of their hearts. I am deeply grateful to God for the opportunity to work with children in so many areas, as this allows me to better understand who God is and what is important to Him.

## RACHELA PAWLAK — *a testamonial*

My name is Rachela. I'm a current resident at Proem's Life Academy — together with my friends, we're having the time of our lives. We are growing spiritually through classes, gaining knowledge and new perspectives, and also have space to practice what we're learning through ministry opportunities. Each of us has different areas of responsibility where we can serve people by doing what we love. For example, I'm involved in an after-school program at our church, where I can spend time with kids who often come from difficult backgrounds. I help them with homework, play with them, and build meaningful relationships.

Over these past months, I've learned so much, and I feel motivated to keep learning. The classes have helped to change my perspectives and grow closer to God. I'm grateful for the opportunity to step out of my comfort zone and grow in so many ways.

# Looking Ahead

## On The WAY

### JOHN 14:6

*"Jesus said to him, "I am the way, and the truth, and the life. No one comes to the Father except through me."*

For the coming year, we have chosen **"On the Way"** as our theme. Our hope is that each of us will continue to meet Jesus, learn from Him, and grow as we follow Him along the way.
Jesus not only described Himself as **"the Way,"** but throughout the New Testament He is also often found **"on the way."** As He traveled from place to place, He took every opportunity to teach, to speak with His disciples, and to engage those who followed Him. Through His life and ministry, Jesus began a movement of people who became known as followers of **"the Way."**
